

# 1<sup>st</sup> Grade News

## Issue #1

### Class News

Our school year is starting out on the right foot. In just the last three days of school, First Grade has really showed excellent listening skills! They already know what to do the minute they come into our classroom without any guidance!! I'm so proud of them ☺ Our snack jug went home yesterday. A letter about snack will go home today; sorry it did not go home yesterday as planned. I am really looking forward to this school year with all our First Grade Families!! Lets have a **FUN FIRST GRADE YEAR!!**

Sincerely,  
Mrs. Castillo
