Notes

Hello Parents/Guardians,
Thanksgiving is right around the corner and it is a great time to help our First Graders focus on what they are thankful for this year! With our First Trimester ending soon, First Grades Focus for the Second Trimester is to work on being independent and responsible for ourselves. This is a goal that I hope we can focus on together to help them prepare for the next grade level. Please continue to talk with them on being responsible for their homework and behavior in school.
Sincerely,
Mrs. Castillo

This week

Reading: Finishing up with Characters and Setting in stories. Test This Friday!

Writing: The process of Writing a Personal Narrative

Math: We will be wrapping up on Place Value and taking our test on Friday! Next will be to focus on Addition and to continue to Practice recognition of numbers to 120

Social Studies: We will be wrapping up on Goods and Services and taking a test on Friday!

Religion: We will be wrapping up with God is our Father and taking our test on Friday!

Mark your calendar
